Dear Mr. Lummis:

Please accept my apologies for not having acknowledged receipt of the book of Spanish Songs before this, and also the photograph of yourself for which I thank you kindly.

We are enjoying the book of songs very much and do not find them difficult as they

are all familiar to us.

Looking forward to receiving your next issue and hoping that you are in the best of health, I am.

Yours very sincerely,

Mrs. W. R. Vick.

Dear Mrs. Vick:-

Thank you for your subscription. The books will be out in about ten days, and your copy will be sent you at once. I am confident you will be delighted.

The first edition is already far over-subscribed. It is evident that next year I will be able to get out a Second Book, with 12 or 14 more songs.

With kind regards and best wishes,

Sincerely Yours
